THURSDAY, APRIL 10, 1902.**MEETING AT BANFF.**

A meeting of the Banffshire Field Club was held at Banff this evening—Mr Alexander Greig presiding, in the absence of the President.

Messrs John Fowlie, architect, Cullen House; William Muir, teacher, Buckie; George Donald, teacher, Portknockie; and Alexander Donald, teacher, Ordiquhill, were admitted members of the Club.

THE LATE DR BARCLAY, BANFF.

It was unanimously agreed to enter in the minutes an expression of the sincere regret with which the members of the Club had heard of the death of Dr Barclay, Banff, who, as an original member and a former president, was always ready to do what he could to advance its interests, and to tender to the members of his family an assurance of cordial sympathy with them in their sorrow. The secretary was instructed to send an excerpt from the minutes to Dr Barclay's family.

PROPOSED MEMORIAL TO HUGH MILLER.

The Secretary read a letter from the Hugh Miller Centenary Committee, asking assistance in the erection of an Institute proposed to be provided at Cromarty in memory of the writer and geologist. The members expressed their sympathy with the object, and a remit was made to the Council to enquire into what was being done, and to make a suitable contribution from the funds of the Club.
