ANNUAL MEETING.

The annual meeting of the Banffshire Field Club was held this evening, Dr Murray, Banff, presiding.

Mr R. Mackintosh, bank agent, Banff; Mr Geo. Ironside, accountant; Mr Alex. Milne, St Ann's; Mr A. W. Ewing, Low Street; and Miss Black, M.A., B.Sc., Banff Academy, were nominated as new members.

Flora.

Mr Craib, as editor of the Flora, reported on the work of that department during the year 1913 as follows:—

In the present list of additions to the Flora of Banffshire the following contractions are used for parishes:—Ah., Alvah; Bd., Boyndie; Bff., Banff; Btrph., Botriphnie; Cn., Cullen; Dd., Deskford; Fc., Fordyce; K-Ed., King-Edward; Rvn., Rathven; Tff., Turriff. Additions have been made by the author (marked !), as also by Professor Trail, F.R.S., &c., by Mr G. K. Fraser, M.A., B.Sc., by Mr A. Watt, Turriff (records received through Professor Trail), by Dr A. Grant, who has at various times sent collections of dried plants to the writer, and by Mr White, M.A., Aberlour, who has communicated records of plants collected by others. All records are additional to those given in the Flora and Supplement (1912), except those followed by (o) which signifies the verification of an old record.
